## MPN Programs

**Muslim Professional Network (MPN) is an MET program established to serve the business community in Oregon and Southwest Washington. Some of our programs will be:**

- **Start-up**

Bring your creative ideas, skills, experience, or investment mind to make new successes

- **Microfinance**

Support small business through microfinance to generate income for families

- **Tradeshow**

Find tens of Muslim business from the Northwest under one roof

- **Seminars**

Discuss hot-topics in business, new technology and marketing with your peers

- **Meet-ups**

Foster business-to-business relationships via interactive forums

## Our Mission

The MET Professional Network is a networking channel within the community to foster professional relationships and encourage a spirit of innovation.

Our goal is to drive economic development for the region by promoting, connecting, and advocating professionals.

Our dreams and inspirations are to build Islamic Financial Institutions, Muslim Chambers of Commerce, and a Business Directory.

These are some of our dreams, what are some of yours?
